If your application is unsuccessful

- An email will be sent to you explaining why the application was not successful, and

Variations to grant applications

If you are successful in obtaining a grant and for some reason wish to change the purpose or scope of the grant, you must first obtain the written approval from Council, completing an application variation request.

Your application to vary will be assessed with reference to the original purpose, the reason for the requested variation and the impact on outcomes and cost. You will be advised in writing if your request is successful and will need to sign a new funding deed.

Change of purpose or scope without the prior written agreement of Council may result in immediate cancellation of the grant and a requirement to repay all grant money.

Acquitting your grant

Tell us how the grant was used

After you have completed the purpose for which the grant was made, you must tell us how you spent the money and what you achieved. This is known as an acquittal process and you must complete it within 60 days of your event or by 1 August after the close of the financial year if you have been funded for a financial year or years. If your grant is for multiple years you must provide an acquittal by 1 August after the end of each financial year of the grant.

You must keep sufficient records and documentation to fully acquit expenditure of the grant for the approved purpose. Spot audits will be undertaken of some grants and a failure to either properly acquit a grant may result in future grant applications being refused, or if warranted, by referral to Tasmania Police for investigation.

There are no general additional funding conditions, in excess of those provided in Council's Grant Policy. Specific conditions may be included in funding deeds with individual grant recipients at the absolute discretion of Council.
